

Membership

Zeta Phi Beta Sorority, Inc., a community conscious action oriented organization is comprised of over 125,000 members in more than 800 chapters throughout the United States, Africa, Europe, Asia and the Caribbean. Zetas are a diverse group of college-educated women representing numerous professions including education, health care, information technology, engineering and science, accounting and finance, law and government, religion, entertainment and journalism. Zeta women influence the social, economic, and cultural structures of our society on a local, national and international level.

Since our inception in 1920, we have addressed the relevant needs of our communities with programs focused on education, health and wellness, drug abuse prevention, economic development, and scientific research to name a few. Over the years, Zeta Phi Beta Sorority, Inc. has been recognized for its leadership and contributions to the community by charitable organizations and community leaders, various media outlets and countless city, state and federal government officials, including past and current Presidents of the United States.

There is something remarkable about being a member of Zeta Phi Beta Sorority, Inc. We are not an organization whose membership benefits amount to little more than having your name on a mailing list. We are a sisterhood of distinguished women with a passion for scholarship, finer womanhood, sisterly love and service to our communities.
